

# Express Check-In with personalised QR code

## Create QR code

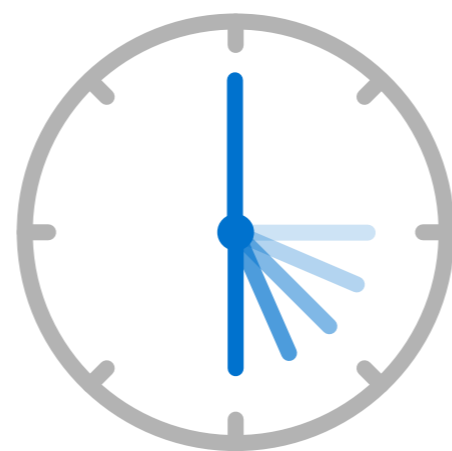

Create your own QR code on our website [meethound.de/qr](https://meethound.de/qr) or use your V-Card. You can easily create a V-Card online. After creating the QR code, you can screenshot it or simply print it out.

2.

## Check-in via QR code

Scan your QR code with the iPad and the camera on the app start screen for check-in.

3.

## Check-Out via QR code

After your visit you can easily check out. Simply scan the same QR code from check-in using your iPad.
